K10

Combining the latest in comfort and technology, K10 offers easy-to-use features and breathable mesh, delivering the most comfort and the sustainable quality for long time work.

Outstanding Performer at Workplace, K10

The most advanced synchronized tilting mechanism of K10 realizes the ergonomic ideal of chair synchronizing with user's body in motion. Maximum adjustability with easy handlings of the smartly designed levers completes the highest performance of K10.

K10

K10 has the most advanced functions such as adjustable headrest with spring tension, 4D armrests, lumbar support, depth adjustable seatrest, etc., to maximize the users' working efficiency.

K10M

It gives vitality to the space and a pleasant impression.
K10M chair helps you to focus on productive learning
and work by providing vitality and comfort to your work.

1150-1215
1010-1075

User-Friendly Sitting Experience, K10M

K10M is another version of K10 with all-mesh task seating for more elastic reaction to frequent posture changing and various body type.

K10M offers the ultimate user-friendly sitting experience.

K10M

Highly Elastic Soft Mesh

K10M chose highly elastic soft mesh for both backrest and seatrest to provide customized comfort.

DETAIL & FUNCTION

1,2. Adjustable Headrest (Optional)

The headrest is height adjustable, especially, it helps the user's head maintain comfortable position all the time by natural reaction when tilted.

3,4. Adjustable Lumbar Support

The lumbar support is height and depth adjustable.

5,6. Adjustable Armrest

The armrest is height adjustable depending on user's preference, and it also offers additional forward/backward, left/right and angle adjustment.

7. Highly Elastic Soft Mesh

K10M chose highly elastic soft mesh for both backrest and seat to provide customized comfort.

8. Adjustable Seat

The depth of seat is adjustable up to 60mm depending on the user's preference.

K50

K50 is designed to create the best with minimal materials.

Double-layer backrest supports the user's body comfortably along with hidden lumbar support.

The backrest mesh of K50 prevents heat rising when seated, so you can use it in more pleasant condition.

Futuristic Vision, K50

K50 delivers a personal experience that responds to the unique movements of user's body.

K50 with minimal adjustments provides natural comfort through the tension of characteristic fabric and power of lumbar support.

K50

Enjoy the Fun

The integrated seat style exudes an unparalleled sense of exquisite fashion. Open up a comfortable space for you in the office, meditate, have a rest or do nothing, quietly recharge the spirit and enjoy the modern office fun.

K50
